## TOURS

*Inspired adventures ... expertly designed by Lotus USA*

Not only are we the trusted ground-handling agents for the world's premier cruise companies, we are authentic. We are original. We design and manage tours that take our travelers to some of the most remarkable destinations in the world across India, Bhutan, Nepal, Sri Lanka and the Maldives. Our destinations are unusual. They are insightful. We are not interested in recycling what everyone else is doing but in giving Lotus DMC travelers something unforgettable.

Our expertise encompasses personal tours, tours for families and friends, study abroad and educational groups, corporate incentive programs, alumni associations, religious groups and other special interest organizations. We take this opportunity to share a few of our tours with you. Once you have taken some time to explore, please call us to let us know how we can help you design a tour specifically for you or your group.
